Step #3: Information required to be provided to the placing agency or person placing the youth by the Nimkee Nupigawagan Healing Centre (except where the placing agency is the Nimkee Nupigawagan Healing Centre):

Information required to be shared	Details
"Immediate needs evaluation by Nimkee Nupigawagan Healing Centre": The report setting out the Nimkee Nupigawagan Healing Centre's conclusions on whether immediate needs can be met (<i>described above</i>)	See above section for details of the required content for Report under Step #2.
An indication of the training provided to persons providing direct care to youth and adults that are	

Nimkee Nupigawagan

Healing Centre

relevant to the care of the youth proposed for admission.	
The total number of youth and adults already receiving out-of-home care in the residence at the time of the proposed admission.	
The ages, gender and information about the needs of the persons already receiving out of home care in the residence at the time of the proposed admission, as well as services and supports required to meet those needs, that might impact on the services to be provided to the proposed admission.	

Date report shared with the placing agency/person placing the youth:

Note: The Nimkee Nupigawagan Healing Centre must ensure that the information above regarding training and youth and adults already residing in the residence to be shared with the youth's placing agency or person placing the youth does not include personal information.

ACTION REQUIRED BY THE PLACING AGENCY:

Step #1: Provide the Nimkee Nupigawagan Healing Centre with the following information (except where the placing agency is the Nimkee Nupigawagan Healing Centre):

1. The youth's name, age and gender.
2. The objectives of the person placing the youth or the placing agency.
3. Information about the immediate needs of the youth that is reasonably necessary for the purposes of performing the pre-admission assessment
4. The basis on which the youth is in the society's care where the youth is being placed by a society
5. Any behaviours of the youth that may pose a safety risk and any safety measures that should be implemented to mitigate those risks if the youth were admitted
6. The circumstances necessitating out of home care.

Nimkee Nupigawagan

Healing Centre

7. Any other information that is relevant to the provision of out of home care by the Nimkee Nupigawagan Healing Centre.

Step #2: Consultation & Assessment of Whether the Youth's Immediate Needs Would be Met:

Action required	Documentation required	Date of documentation
<i>Consultation with the youth on the proposed placement (based on youth's age and maturity).</i>	<i>Document the youth's views expressed during engagement with the youth/youth Include reasons where consultation did not occur.</i>	
<i>Consultation with any other person or entity that, in the opinion of the agency, would have information on the proposed placement and whether it will meet the youth's immediate needs (e.g., the youth/youth's FNIM band or community, where appropriate).</i>	<i>Document the views of the persons or entities consulted. Include reasons where consultation did not occur.</i>	
<i>Collect information required to be provided by Nimkee Nupigawagan Healing Centre to placing agency (described above), including "Immediate needs evaluation by Nimkee Nupigawagan Healing Centre" (except where the placing agency is the Nimkee Nupigawagan Healing Centre).</i>	<i>Analysis of whether the proposed placement will meet the youth's immediate needs.</i>	

CONDITIONS ON PLACEMENT:

A Nimkee Nupigawagan Healing Centre cannot accept a youth to be admitted unless they have:

- I. Completed all the required steps as part of the pre-placement/pre-admission assessment process described in [O. Reg. 156/18, s. 86.2](#) (youth residences & staff model homes), and

or others or if there are risks to the youth's safety known to the Nimkee Nupigawagan Healing Centre, conducted a safety assessment as required by regulation and, if required, prepared a safety plan.

Additional notes:
